## GENERAL REHAB AND IMPROVEMENT PROGRAM

Are you thinking of remodeling your home, but are not sure where to start? Let the City of Iowa City's General Rehabilitation and Improvement Program (GRIP) assist you! The experienced staff in the Housing Rehabilitation Office can help you with remodeling ideas, contractor selection, and project oversight to ensure you are getting what you pay for. Qualified homeowners are eligible to do improvement projects from \$10,000 to \$40,000.

The loans, secured through the City of Iowa City at a very competitive rate (2.75%), are repayable over 20 years, making it possible to do the remodeling you have dreamed about.

An example of monthly minimum payments for a 2.75% interest loan is as follows:
